Student Identity Verification

Student identity verification is initiated during the admissions process to verify that the admitted student who participates in and completes coursework and assessments is the same student who is awarded credit.

Policy for Student Identity Verification in Distance Learning

The policy for student identity verification applies to all credit-bearing distance education courses and programs offered by Harvest University, beginning with the application for admission and continuing through to a student's graduation, transfer, or withdrawal

from study.

The purpose of this policy is to ensure that Harvest University operates in compliance with the provisions of the United States Federal Higher Education Opportunity Act (HEOA) concerning the verification of student identity in distance education.

Under HEOA, all credit-bearing courses and programs offered through distance learning methods must verify that the student who registers for a distance education course or program is the same student who participates in and completes the course or program and receives academic credit. One or more of the following methods must be used:

1. A secure login and pass code;
2. Proctored examinations; and/or
3. New or emerging technologies and practices that are effective in verifying student identification.

Implemented Practices for Compliance

a. Secured Electronic Identification System

Harvest University verifies the online identity of all students through a secured electronic identification system. All students who participate in distance education for credit must be admitted to the University through the regular campus admissions process. The admitted student is issued a student identification number and directed to create an electronic identification, which consists of a login ID and password.

The login ID must be unique and the password must adhere to certain security rules, including periodic changes. Password information is kept confidential and is not accessible by anyone, including network administrators. Passwords can only be reset but not recovered. A student requesting that their password be reset may be asked to provide two or more pieces of information for comparison with data on file, or to come to the University in person with a photo ID or verification.

The login ID provides access to the Harvest University's online learning management system Populi. Populi integrates with Harvest University's student database to ensure appropriate and secure student access to online courses, school email, and other restricted services such as the e-library. Students may also obtain their grades, view their student account expense and balances, and access and update their personal information.

Populi provides instructors access to class rosters that include student photos associated with their name, student identification number and account. The student photo associated with the account is visible throughout the online classroom including the assignment, discussion and message board areas.

All Populi users are responsible for maintaining the security of login IDs and passwords. Attempting to discover another user's password or attempts to gain unauthorized access to another person's files or email is prohibited.

b. Proctoring

All for-credit distance education courses at Harvest University require proctored final examinations. Midterm exams are strongly recommended to be proctored while tests/quizzes should be designed so that proctoring is unnecessary. Harvest University allows two forms of proctoring:

i) Onsite Proctoring

Online students may name a person onsite to proctor the exam upon the University's approval. Proctors are required to complete a signed Proctor Agreement Form prior to the first exam being administered.

Harvest University reserves the right to verify a proctor’s identity, require additional proof of eligibility, or require the selection of a different proctor. The proctor should the identity of the student based on a photo ID, sign for the student to have undergone a proper exam according to the requirements given in the online classroom, and write a report about anomalies when necessary.

ii) Online Proctoring

Instructors/faculty may require online students to utilize ProctorU, an online proctoring service that uses a webcam and microphone. The examination would be set up in the ProctorU system by the instructor/faculty accordingly. Students are responsible for any costs associated with using an online proctoring service. Such costs must be brought to the students’ attention at the time of registration for the course.

Acceptable forms of photo ID for proctoring:

- Valid U.S. passport book or passport card
- Valid U.S. military photo ID card for active duty, reserve, or retired personnel
- Valid foreign passport
- Valid state-issued Driver License or photo ID

The Information Technology Support Center at Harvest University consistently researches on the latest and emerging technologies and practices that are effective in verifying student identification. This policy and related practices will be reviewed annually for continued alignment with the appropriate federal regulations and policies and revised as necessary.

*Partial Refund is based on the tuition billed for the quarter in which the student withdraws, according to the following formula: $\text{tuition} / \text{total program hours} \times \text{course completed hours in term} = \text{tuition earned by the school}$. For the purpose of this calculation, the total program hours equals the number of hours scheduled for the entire program.

Loans

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

Bankruptcy

Educational and related fees are generally non-dischargeable in bankruptcy and will survive after the bankruptcy has closed. Except in certain limited situations, this means that a student will still owe the debt to the university after the bankruptcy.

Presently, Harvest University does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. General Transfer Student Admissions Policy

A **transfer student** is defined as any student who has previously matriculated as a degree candidate at another institution and has earned or is earning college-level academic credit at the undergraduate/graduate level.

Students applying for transfer to Harvest University must follow the admission procedures. Official college transcripts from all schools attended must be sent directly from the previously attended college(s) to:

Harvest University
Attn: Admissions
300 Deuel St,
Fort Morgan, CO 80701

Coursework transferred or accepted for credit toward any HU degree must be relevant to the degree program, with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in this university's own degree programs. In assessing and documenting equivalent learning and qualified faculty, HU personnel consult official institutional catalogs and employ recognized guides which aid in the evaluation for credit.

Such guides include those published by the American Council on Education, the American Association of Collegiate Registrars and Admissions Officers (AACRAO), and the National Association of Foreign Student Affairs, or such services as are provided by AACRAO or the World Education Services (WES).

HU accepts transfer credit from other accredited educational institutions subject to the following general criteria:

UNDERGRADUATE

- A minimum grade of "C" (or equivalent); courses graded "pass/fail" are not transferred unless it is stipulated on the transcript that a "pass" required a grade of "C" (2.0) or above;
- Credit is applicable to the HU program of study in which the student intends to enroll.

GRADUATE

- A minimum grade of “B”(or equivalent); courses graded “pass/fail” are not transferred unless it is stipulated on the transcript that a “pass” required a grade of “B” (3.0) or above;
- Credit is applicable to the HU program of study in which the student intends to enroll.

In order to assist students with curricular planning, the transfer evaluation process must be completed as soon as possible. After enrollment at the university, courses taken at another institution are evaluated for transfer by the Registrar’s Office.

Transfer courses are evaluated in the Office of Admissions for acceptance of core curriculum requirements and general elective credit. Transfer credits applied toward major requirements are determined in consultation with the appropriate academic divisions.

Transfer Grades

- A student’s grade point average at Harvest University is based only on courses completed at this institution. The Harvest University grade point average is used to determine academic standing and graduation.
- Transfer grade equivalents will be determined and recorded with the student’s transfer credit. Credit will be awarded for courses in which a “C” or higher was earned. Grades of “F” are included in the calculation of the transfer grade point average.
- Transfer grades and grade point averages are assigned on the basis of the Harvest University grading policy. For courses taken at institutions that use combined grades (e.g., “AB”), the lower grade will be used.
- Courses taken at institutions that use a grading system not comparable to the Harvest University grading system will be evaluated with the transfer grade equivalents of Pass or Not Pass. “Withdraw failing” grades are calculated in a student’s transfer grade point average as “F” grades.
- When fractions are accumulated and awarded as general electives, grade points are accumulated in similar fashion. For example, a student who took one four quarter hour course with an “A” and two four quarter hour courses with a “B” would receive general elective credit (to compensate for fractions) for two credit hours and six grade points.

Credit Hour Equivalencies

- The credit hour minimums are based on courses from quarter calendar institutions. If a course at another institution is offered for fewer credit hours than an equivalent course at Harvest University, the student will be given transfer credit for the equivalent course at Harvest University but only for the number of credit hours earned at the other institution. In such cases, the student may need to take an additional course to fulfill credit hour requirements.
- When semester credit is converted to quarter hour equivalents, a conversion factor of two-thirds is used. When conversions result in fractions, credit granted per course is reduced to the nearest whole number. Fractions are accumulated and reduced to the nearest whole number, and general elective credit is awarded for that total.

Instances of Fraud

Anyone found to have been admitted to Harvest University on the basis of false information will be immediately dismissed and will forfeit all financial payments made and academic credits accumulated during all periods of enrollment following that admission.

CHAPTER 6: CAREER SERVICES

Career Advisory

Advisors and counselors are available to speak with ministry-bound students who seek advice for careers after graduation. Harvest University provides information but is not required or obligated to offer placement services. Students may contact the director of their academic programs for more information.

Detailed Instructional and Occupation Classification for Graduate Programs

The following classification of instructional programs offered at Harvest University and its academic units is intended for general overview purposes. Completion of any educational program listed below or offered by the University does not guarantee employment in any of the occupational classes described, nor does it imply that the program does not prepare its graduates for any other occupations.

This list is a chosen standard by the University to measure its educational outcomes against. Employment rates will consider only employment in the fields listed under each degree program. This list is subject to change at sole discretion of the University and its understanding of the content and anticipated outcomes of its educational programs.

CIP (Classification of Instructional Programs) Codes follow the 2010 edition published by the National Center for Education Statistics (NCES) and are listed with each educational program name in bold type. CIP has been assigned by faculty and academic administration according to their overall understanding of the program.

SOC (Standard Occupational Classification) Codes follow the 2018 edition manual published by the Executive Office of the President, Office of Management and Budget and are listed below each educational program. SOC codes have been assigned using the "education crosswalk search" at www.onetonline.org and with input from faculty and administration where deemed necessary.

CHAPTER 7: COURSE SELECTION AND SCHEDULING

Instructions and dates for registration are located on Populi. All students will receive their Populi login ID and password upon enrollment. Students will be notified by email about registration instructions and the date by which they must register. Questions should be directed to the Office of Admissions.

Adding and Dropping Courses

Students may officially add or drop course(s) with no clerical fee being charged until the specified add/drop date, after which a \$15 clerical fee will be charged for each course added or dropped. Additional per hour fees owed will be calculated based on the total amount due after the schedule adjustment has been made. Refunds owed will be calculated based on the total amount due after the schedule adjustment has been made.

A student wishing to add or drop a class needs to submit a *Drop/Add Class* form to the Registrar. The student is then responsible for obtaining permission from the faculty member teaching the course as well as the student's advisor.

A student wishing to withdraw from a course after the add/drop date may complete a *Drop Class* form with the Office of the Registrar. The student is also responsible for paying appropriate fees and obtaining permission from the faculty member teaching the course as well as the student's advisor.

Anytime a student drops below full-time status as a result of dropping or withdrawing from a course, he/she must get express permission from the Academic Dean and the College Program Director, because his/her financial status with the university might be affected.

Dropping vs. Withdrawing

Dropping: Students may drop from class during the official drop/add period at the beginning of each quarter. This process occurs online. At the end of the quarter, no official record of the student having been in the class exists.

Withdrawal (Class Withdrawal): Students may withdraw from courses following the drop/add period until week nine of the fall, winter, or spring quarter. A grade of "W" will appear in the student's official records.

Withdrawal Policies

During the first week of the fall, winter or spring quarter, students may withdraw from a course with no record of the class appearing on the transcript. In weeks three through nine of the fall, winter and spring quarter, the student may withdraw with the advisor's permission. The course will be recorded on the transcript with the instructor's notation of "W," indicating that the student withdrew. After week nine of the fall, winter, or spring quarter, students may not withdraw from courses.

No student may withdraw from more than five courses during the duration of his/her studies to earn a degree. A student may not withdraw from the same course more than once.

Procedure: Withdrawal from a course is accomplished with an *Add/Drop Class* form, processed through the Registrar's Office.

There are two different types of withdrawal: "*College Withdrawal*," which is withdrawing from the college (all courses), and "*Class Withdrawal*,"

” which is withdrawing from individual courses.

College Withdrawal (Complete Withdrawal) Policy

If a student does not intend to return to HU or is planning to be away for more than one-year (four quarters), he/she is required to file *Leave of Absence/College Withdrawal* form.

To maintain good academic standing and eligibility for readmission to the college, students finding it necessary to withdraw must do so officially. Students will then have to apply for readmission in order to return. In this case, students may be subject to updated general education, major and degree requirements. Courses taken at another institution do not need prior approval but will be evaluated for possible transfer credit at the time of readmission. Readmission is not guaranteed and is subject to the admission criteria in place at the time students reapply.

Refunds for Withdrawals

When withdrawing from a class, a student can drop a class with no charge as long as it is within the first two weeks of classes. Anytime after this, students must pay a \$15 drop fee to withdraw from a class. They will be able to do this up until the end of the fourth week of classes, at which point it is no longer possible to drop classes.

Tuition charges may be refunded 90% only if the withdrawal form is processed by the end of the second week of classes of the fall, winter and spring quarters. Students may withdraw after giving official notice and receive a refund of fees paid for which instruction was not received, through completion of 60 percent of the course or term. No refunds will be given after this time.

Repeating Courses

Courses for which grades of “D” or better have been earned may not be repeated for credit. Courses for which grades of “F” have been received may be repeated for credit. Only the grade for the repeated attempt counts toward the grade point average. All entries on the transcript, however, remain a part of the student’s permanent academic record. Students will not be allowed to register for a course for which they have already received a passing grade.

Quarter System

Courses of study at Harvest University are offered, and credit for satisfactory completion is granted, on a quarter basis.

The school year at Harvest University is divided into three regular quarters –fall, winter, and spring. With the exception of the summer quarter, which has 42 days of instruction, each quarter includes 10 weeks of instruction (not including final exams).

The basic unit for credit earned is the quarter hour, representing one hour of class per week for 10 weeks.

Online/Hybrid Learning

Harvest University offers both online and hybrid courses that can be taken by students to fulfill their degree requirements at our school. Online courses may be taken by either online or resident students. Hybrid courses may be taken by resident students only. Online and hybrid courses have the same course descriptions and student learning objectives as their resident-only equivalents. Both course types are explained further in detail below.

Curricular and learning resources are shared between both program types, residential, and distance education.

Online Classes

Harvest University offers a number of online-only courses through the school's online classroom. Both online and resident students are eligible to take online courses to fulfill their degree requirements. The vast majority of the class activity will take place online, including tools such as video conferencing, online lectures, forums, chat rooms, online tests and quizzes, and electronically submitted coursework. Course content can be accessed 24/7 at the student's convenience, but the student is responsible for keeping up with the curriculum throughout the quarter. Most course material will be available electronically, but students will typically still need to purchase a physical textbook for online courses.

Hybrid Courses

For today's students at Harvest University having an online classroom containing learning resources, tracking the progress through course work, recording grades, and enabling interaction with fellow students regardless of time and place and thus supporting effective learning is the standard for any course offered, on-site or online. Instead of using the existence of an online classroom to label a course "online" or "hybrid" Harvest University, therefore, uses the simultaneous existence of an on-campus component and an integral distance education component of any class as the decisive marker for being a hybrid course.

Harvest University distinguishes two general types of hybrid instruction: 1) remote teacher, 2) remote student or classroom. Regardless of type, an on-campus student enrolling in a hybrid course is sure to have a regular onsite component where attendance is tracked and face-to-face instruction/discussion is provided. An online student enrolling in a hybrid class, on the other hand, can be sure all activities and resources necessary for participation and for learning to happen in the course are available at a distance to him or her.

Class Schedules

Schedules listing classes offered each quarter are available on the university's course management system MyHarvest/Populi. After receiving their ID and password, students may access the platform at <https://harvest.populiweb.com>.

Class Attendance

Students are expected to be punctual and regular in class attendance and to accept responsibility for all assigned work. Any student who has been absent for as many as one-third of the total class sessions for a course will have failed and will be suspended from the course. Within this framework, each instructor may set his/her own class attendance policy, and will inform students of this policy at the beginning of the term.

Class sessions missed because of illness or late registration will be counted as absences, except in the case of extenuating circumstances.

Students who are ill are expected to notify their instructors and to arrange to make up any missed work.

A student who is forced to miss classes for any extended period shall notify the Office of Academic Affairs of their college of his/her absence and the reason for it. A student who is absent from class for a period of two weeks without such notification will be considered as having unofficially withdrawn from the course and will receive a grade of "F". If the student has been unable to notify the institution for reasons beyond his/her control, he/she may be reinstated by petitioning the Academic Council.

Accumulated absence of 40% or more of any given course whether spread out over the entire quarter or consecutive, will earn the

student a grade of "NF," failure for non-attendance. Excused absence is not counted as present.

Any student who misses an examination for a legitimate reason may be granted permission to take a "make-up" examination at the discretion of the faculty member.

Permission to give a final examination at any time other than the officially scheduled time must be obtained from the Division Chair.

Occasionally class absences result from a field trip scheduled for another course or from an authorized co-curricular activity (i.e. athletic event, music ensembles, etc.) that falls within class hours. Such group absences do not excuse a student from obligations to regularly scheduled courses, and it is the student's responsibility to be informed concerning the work missed and to complete all requirements in a manner satisfactory to the instructor. Students who participate in co-curricular activities, which may require class absences, should regularly attend class so that absences for co-curricular activities do not lead to course failure.

Fulltime Enrollment

Fall, Winter and Spring quarters only.

To be classified as fulltime, undergraduate students must be enrolled for a minimum of 12 quarter hours, while graduate students must take a minimum of 8 quarter hours. Special permission must be granted to enroll in more than 16 hours for undergraduate students and 12 hours for graduate students per quarter. Such permission must be approved by the Academic Dean before registration.

CHAPTER 8: GRADE NOTATION AND POLICIES

Grading Policies

Grades shall be assigned to individual students on the basis of the instructor's judgment of the student's scholastic achievement using the grading system below.

Graduate Grading System

92-90	A-		3.7
89-88	B+		3.3

72-70	C-		1.7
69-68	D+		1.3
67-63	D	Way Below Standard	1.0
62-60	D-		0.7
Below 68	F	Failure	0

Other Grade Marks Used:

Grade	Interpretation	Grade	Interpretation	Grade	Interpretation
I	Incomplete	M	Missing Grade	NP	No Pass/No Credit
IP	In Progress	NF	Non-Attendance Failure	E	Conditional
W	Withdrawal	P	Pass (C- or better)	AU	Audit

Incomplete Grade (I)

The “I” (Incomplete) grade is given when the course is not completed by the end of the term for acceptable reasons. If this grade is not removed within ten weeks of the end of the term, it becomes a “F.”

Students are permitted to withdraw from courses and receive a “W” only during the first half of any course. Students desiring an exception to this rule must petition through the Registrar's Office. “W” will not be calculated in the grade point average.

In Progress Grade (IP)

The grade of “IP” (In Progress) is issued only in the special circumstance of a course registered for in one term is to be completed by registering for the companion course in a subsequent term. Upon successful completion of the final course, the instructor changes the IP grade to the appropriate grade. IP grades are not included when calculating the grade point average.

Withdrawal Grade (W)

A grade of “W” (Withdrawal) is issued when a student formally withdraws from a course. The withdrawal must be initiated by the student in accordance with the procedures and due deadline dates. “W” grades carry no credit and are not included when calculating the grade point average.

Missing Grade (M)

A grade of “M” (Missing Grade) is issued when no grade has been reported to the Enrollment Office. “M” grades carry no credit and are not included when calculating the grade point average. “M” grades will change to a grade of “NF”, one term after the initial term. Once converted to an “NF”, cannot be changed.

Non-Attendance Failure Grade (NF)

The grade of “NF” (Non-Attendance Failure) may be given by a professor for excessive absences by a student or when a student stops attending the class. This grade will be computed in the grade point average like a grade of “F.” “NF” grades cannot be changed after initial submission and other grades cannot be changed to a “NF.”

Conditional Grade (E)

A grade of “E” (Conditional) is earned only in continuing courses. This grade can be raised to a “D” by doing “C” grade work in the remainder of the course; otherwise, it becomes an “F”.

Audit Grade (AU)

A grade of “AU” (Audit) is issued when a student's attendance in an audited course is deemed adequate. AU grades carry no credit and are not included when calculating the grade point average.

Grade Appeal

The normal appeal procedure begins with a consultation with the professor concerned. The following are the steps to filing a grade appeal:

1. Prior to the end of the quarter following the course in which the contested grade is issued, the student will request that the faculty member reconsider the grade that was awarded.
2. If dissatisfied with outcome of faculty decision, within 10 days of the faculty member's decision, the student may appeal in writing to the Division Chair.
3. Within 10 days of the College Dean or Director's decision, the student may submit a written appeal to the Academic Dean.
4. The student is responsible to monitor email daily throughout the appeals process.

Class Work

All class work is due on the date set by the professor. No assignments will be accepted that are more than two weeks overdue, and grades on late work will be reduced for each day overdue, except under exceptional circumstances approved by the professor. The grading should be completed within 10 days after the submission

CHAPTER 9: SATISFACTORY ACADEMIC PROGRESS REVIEW

Academic Good Standing

Undergraduate or graduate students are expected to maintain a grade point average ("GPA") of at least 2.0 or 3.0 on a 4.0 scale to remain in Academic Good Standing.

Academic Disciplinary Status Overview

HU maintains academic disciplinary policies to encourage students to make the necessary academic and life changes to succeed. Students who fail to meet the minimum expectations of Academic Good Standing must meet more stringent standards and regularly consult with academic advisors.

Disciplinary Policy for Undergraduate/Graduate Students

The disciplinary policy provides a student with several opportunities to make the necessary adjustments prior to a final dismissal from HU.

Disciplinary Status:

- Academic Warning
- Academic Probation
- Academic Suspension (One regular term and any summer term)
- Academic Dismissal

Each Disciplinary Status, except for Academic Warning, will be indicated on the student's academic record.

1. Academic Warning

If an undergraduate/graduate student's cumulative GPA falls below a 2.0 (undergraduate) or 3.0 (graduate), the student will be placed on Academic Warning.

Academic Warning is designed to help students make the required adjustments to achieve success and a degree at HU. These adjustments will vary based upon the individual circumstances of each student but should be taken seriously.

If a student is placed on Academic Warning, the student will be required to follow certain protocols and meet higher academic standards. These protocols and standards are designed to bring the student back to Academic Good Standing and allow the student to meet graduation requirements.

A student on Academic Warning is required to meet the following Satisfactory Progress Policy requirements for the term:

Satisfactory Progress Policy:

- Earn a minimum term GPA of 2.2 for undergraduate students or 3.2 for graduate students.
- May not withdraw or request an incomplete from a class.
- Meet with the academic advisor prior to registration.
- Retake all required Major and University Core Courses failed the previous term.

- Register for a maximum of 12 credit hours for undergraduate students and 8 credit hours for graduate students.
- Maintain satisfactory progress towards graduation.

If a student on Academic Warning meets the Satisfactory Progress Policy requirements but fails to achieve a cumulative GPA of 2.0 (undergraduate) or 3.0 (graduate), the student will remain on Academic Warning and must continue to comply with all Satisfactory Progress Policy requirements.

If at any time, a student's cumulative GPA meets the minimum requirements of 2.0 (undergraduate) or 3.0 (graduate) overall the student will regain Academic Good Standing. A student's cumulative GPA is only affected by HU coursework. Coursework at another institution cannot be used to return a student to Academic Good Standing.

1. Only F-1 students are required to comply with this rule.
2. The College Dean reserves the right to alter this requirement on a case-by-case basis.
3. The College Dean reserves the right to alter this requirement on a case-by-case basis.

If a student has registered for more than 12 credit hours (undergraduate) or 8 credit hours (graduate) prior to his or her placement on Academic Warning, the student's schedule must be reduced to a maximum of 12 credit hours (undergraduate) or 8 credit hours (graduate). The student is required to meet with his or her academic advisor to find an appropriate adjustment to the student's academic schedule.

2. Academic Probation

A student will be placed on Academic Probation for failure to meet the Satisfactory Progress Policy requirements while on Academic Warning. A student on Academic Probation is also required to meet the Satisfactory Progress Policy requirements as listed above.

Students who leave the University on Academic Warning or Academic Probation may be readmitted with the same status, even if they have attended another institution in the interim. Performance at another institution will be a factor in the readmission decision.

3. Academic Suspension

Students are automatically placed on Academic Suspension for failure to meet the Satisfactory Progress Policy requirements while on Academic Probation.

Students on Academic Suspension may not enroll in, audit, or visit a class unless readmitted as described below. Students who have already pre-registered for classes will automatically be dropped from all classes.

When the student is academically suspended the student's official transcript states "Academic Suspension" for the affected term.

Length of Academic Suspension

- A student's First Academic Suspension will be for a period of one regular term and any summer term.
- A student's Second Academic Suspension is Final Dismissal from HU without possible readmission.

4. Readmission

A student placed on First Academic Suspension must petition to his or her College Dean for readmission.

A student that is readmitted may be subject to additional probationary conditions placed upon them by the College Dean. Such additional probationary conditions may be individual to the student and his or her academic circumstances but will be designed to encourage the student to reach Academic Good Standing and be eligible for Graduation.

A student who reenters the University after First Academic Suspension will re-enter on Academic Probation.

A student placed on Second Academic Suspension shall be permanently dismissed from the University without possible readmission.

Programs have the prerogative of recommending the termination of a student's admission at any time.

The Registrar shall inform, in writing, any student who is not making satisfactory academic progress as soon as practicable after term grades have been reviewed and the appropriate action has been taken.

A student placed on Academic Suspension or Academic Dismissal status may appeal such action by filing a written appeal with the College Dean or designee no later than 10 working days after the date of the written notice.

The appeal shall include a brief outline of the reasons why the appeal should be granted. The decision of the College Dean or designee on the appeal shall be final.

Academic Progress of Students

Midterm Monitoring

At midterm each quarter, all faculty members will receive a request to comment on the academic performance of their students.

Individual faculty members are often the first to notice that a student's academic performance in a particular class is unsatisfactory and may be indicative of overall academic difficulty and/or other problems. Indicators of difficulty may include unsatisfactory grades; poor or inconsistent work; poor or erratic attendance; inattentiveness, agitation; change in behavior, attitude, or appearance; inappropriate and/or inconsistent behavior, etc.

The evaluations from faculty not only help academic advisers in their monitoring of a student's academic performance and progress, but also assist them in their efforts to provide the appropriate support and resources to the student.

Academic Review

At the end of each quarter, each program Division Committee, composed of faculty and academic staff, will review and may take action on the record of every student whose term or cumulative grade-point average is below 2.0 for undergraduate students and 3.0 for graduate students. The Committee will determine student standing, including academic warning, academic probation, suspension, and dismissal. All such students are notified via email. However, all students are responsible for monitoring their own academic record and performance, and failure to receive the notification does not nullify the academic standing action. In addition, students are encouraged to seek out assistance from the appropriate university resources.

Exercising the repeated course option does not negate prior academic standing action.

Statement of Academic Rigor

Academic rigor helps to promote lifelong learning and is an integral aspect of Harvest University's mission. Academic rigor means sustaining a learning environment that challenges students to attain high levels of intellectual skills in an ethical manner.

Academic Rigor for Faculty

Rigorous teaching permits faculty members to create learning environments that challenge students academically and encourage them to grow. Rigorous teaching requires a professional commitment to academic discipline and to inspiring students to develop their knowledge and understanding by developing their learning skills. Students should be able to expect faculty members to:

1. Strive to clearly communicate the course expectations and have them summarized on the syllabus, and to follow the curriculum;
2. Strive to come to class prepared, and to give students useful feedback on their assignments in as timely manner as the situation permits;
3. Strive to be available to students outside of the classroom;
4. Strive to make assignments relevant, meaningful and challenging;
5. Strive to create opportunities for learning in ways geared to students' diverse talents and abilities;
6. Strive to reduce, if not eliminate, the students' perceived need to plagiarize and to challenge plagiarism should it occur; and
7. Strive to evaluate our courses and ourselves.

Academic Rigor for Students

To make the most of the college experience, students should approach college in terms of a rigor complementary to the faculty's. Rigorous learning requires fortitude, persistence, preparation, hard work, and zeal. Since college shifts students from the teacher-centered style of high school learning to a student-centered style of learning, it places a higher level of responsibility for performance onto the students. Such high performance at a demanding institution can lead to a successful and satisfying career. Therefore, rigorous students should expect themselves to:

1. Set high expectations along with a strong sense of collegiate purpose;
2. Come to class prepared to work, and to submit assignments by the deadlines;
3. Make the most of their time with faculty members in and out of class;
4. Treat fellow students and the classroom with respect, and to participate in the academic process;
5. Manage their time so they can treat college as real work with real value;
6. Participate with complete honesty and integrity;
7. Understand that collaboration with classmates on assignments, when required or encouraged, is acceptable behavior as long as the products of those assignments are truly the student's own work;
8. Accept responsibility for learning and for the grades earned.

CHAPTER 10: GRADUATION

General Requirements

Students must meet minimum academic requirements to be eligible for graduation, according to the prescribed course of study outlined in the curricula of their respective programs, with an appropriate academic grade point average. Students must also satisfy all financial responsibilities to the university to qualify for graduation.

Students enrolled in undergraduate programs of the university must maintain an average grade of “C” (2.00) for graduation. Students enrolled in graduate programs of the university must maintain an average grade of “B” (3.00) for graduation. The grade average will be determined on the basis of grades recorded before enrollment for the final term of study.

After a graduation audit determines that a student is eligible to graduate, the student may choose to attend the commencement ceremony via live broadcast or be present at HU campus to attend in person. Students who choose to attend in person are required to be present for both rehearsal and commencement exercises. If a student cannot be present, graduation in absentia may be approved for reasons satisfactory to the faculty. Arrangements to attend must be made six weeks before the commencement exercises, and must be made by written petition.

Students registering in the university for the first time should complete their work for the degree according to the requirements of the Catalog of the year in which they entered. Students who withdraw may wish to return under the requirements of their original Catalog if they have missed no more than three consecutive regular quarters (for example, fall/ winter/spring). All other students must return under the requirements of the current Catalog.

Catalog years begin with the fall quarter. Students entering for the first time in a summer quarter will be subject to the Catalog for the fall quarter immediately following.

Additional Requirements

1. The faculty of each respective program is responsible for determining any additional requirements for admission to, continuation in, and graduation from each degree program above and beyond the university's standards.
2. The faculty of each respective program is determinant in decisions and questions related to a student's admission, a student's continuation in a degree program, and eligibility for graduation. A student may submit a request for review in the Office of Student Services if a question arises on a decision made by the faculty. Appeals can be made, provided such a request is filed within 15 days after the date the decision is officially delivered to the student.
3. The faculty of each program reserves the right and authority to refuse approval of a candidate for graduation, or to terminate the continuance of a student in an academic program for any reason or reasons. The faculty decides the validity of such action, even if the student has met and is currently meeting the academic and other requirements for the degree program.

Graduation process

1. Once students have successfully completed a minimum of 164 credits in the bachelor degree, 120 credits in the Master of Divinity

degree, and 40 credits in other master degree, they may request graduation audit to each division.

2. Once students fulfill graduation requirements, students should apply for graduation by emailing the Registrar's Office and requesting the graduation application form.
3. Registrar's Office goes through a final graduation check and verifies whether students have completed all graduation requirements. If the student meets graduation requirements, Registrar Office notifies the student to fill out the graduation application form.
4. Students fill out graduation application form, submit the form and pay graduation fee.
5. Registrar's Office prepares and sends the diploma and an official transcript to the address typed on the graduation application form.

CHAPTER 11: HARVEST UNIVERSITY POLICIES

Student Records

It is Harvest University's policy to maintain the confidentiality of all student education records.

No one outside the institution shall have access to nor will the institution disclose any information from a student's education records without the written consent of the student except to personnel within the institution; to persons or organizations providing student financial aid; to accrediting agencies carrying out their accreditation function; to persons in compliance with a judicial order; and to persons in an emergency in order to protect the health or safety of the student or other persons.

Within the Harvest community, only those members, individually or collectively, acting in the student's educational interest or involved with campus safety are allowed access to student education records.

The institution does provide directory information that includes: student name, address, telephone number, e-mail address, major field(s) of study, dates of attendance, photograph, class or level, enrollment status, and degrees, honors and awards received. Students may withhold directory information by notifying the Registrar.

Requests for non-disclosure will be honored by the institution for only one year; therefore, authorization to withhold directory information must be filed annually in the Office of the Registrar.

Students may inspect, review, and challenge the information contained in their education records, request a hearing if the outcome of the challenge is unsatisfactory, and submit explanatory statements for inclusion in their files if they feel the decisions to be unacceptable. The Registrar at Harvest has been designated by the institution to coordinate the inspection and review procedures for student education records, which include admissions, personal, academic, financial, and placement records. Education records do not include records of administrative and education personnel. These records are the sole records of the administration and education personnel who prepare them.

Students may not inspect and review the following: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; or education records containing information about more than one student, in which case the institution will permit access only to that part of the record which pertains to the inquiring student.

Requests for amendments to grades after a student has graduated will not be considered unless there is substantial evidence of inaccuracy on the institution's behalf.

Student records will be maintained for five (5) years from withdrawal or graduation, and student transcripts will be maintained permanently.

Harvest retains student records in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974.

Confidentiality and Privacy Policies

Harvest University retains student records in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended (20 *United States Code* [U.S.C.] § 1232g; 34 *Code of Federal Regulations* [CFR] Part 99).

The federal law allows student above age of 18 or attends a school beyond the high school level to have the rights:

- To inspect and review education records maintained by the school.
- To request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, student has the right to place a statement with the record setting forth his or her view about the contested information.

Regarding data disclosure, according to FERPA:

- A school must have written permission from student in order to release any information from a student's education record
- A schools may disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.
- A school may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell students about directory information and students a reasonable amount of time to request that the school not disclose directory information about them.

Complaint and Grievance Policy

The University defines a formal candidate/student complaint as any grievable issue between a candidate/student and a unit faculty or staff member that good faith efforts have failed to resolve, and has been submitted in writing by the candidate/student to that faculty or staff member's supervisor for further consideration and resolution. Grievable issues are defined as being subjected to an arbitrary, capricious, or unreasonable standard of academic performance (in the case of grades) or of a specific university policy.

Students expressing a grievance about the application of University policy, academic or non-academic, should attempt to seek informal resolution of the matter with the faculty or staff member involved, following that with the immediate supervisor of the faculty/staff member if necessary. If such informal procedures do not effect an equitable resolution of the matter, the student may submit a formal grievance form.

A formal grievance will be submitted to the Director of Student Services,, who will treat the complaint as a high priority. The Director of Student Services will contact the staff/faculty members directly involved and attempt to reach a resolution. If a suitable remedy for the grievance cannot be reached, a grievance committee will be formed to arrive at a successful resolution.

Grievance Procedures:

Within five weekdays of the date on which the concern occurred, the student is encouraged to meet with the staff member and discuss the concern. It is hoped that most concerns can be resolved within this step. If the staff member and the student are not able to resolve the concern OR if the student feels uncomfortable meeting with the staff member, the matter may be escalated to the next

level, and the grievance form should be completed.

To File a Grievance

1. Obtain the student grievance form from the Office of Student Services. Fill it out completely, stating your case in full, and return it to the Office of Student Services. The grievance form should be submitted as soon as possible and no later than 60 calendar days after the situation took place.
2. If it is determined that the student has a valid grievance, a grievance committee will be convened. Its head will be a member of the University's administrative staff. It will also consist of one faculty member and one student selected at the beginning of the academic year for this task. If this grievance concerns a grade, the faculty member must be an actual instructor at the University.
3. After reviewing the report, the grievance committee will conduct an investigation, as may be appropriate, and make a judgment. The committee's decision will be communicated in writing within 15 calendar days to all involved parties.
4. If the decision made by the grievance committee does not satisfactorily resolve the issue, the student may appeal the decision to the Director of Student Services within 15 calendar days after receipt of the response.
5. Within 30 calendar days after receipt of the appeal, the Director of Student Services will meet with the student to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the Director of Student Services will respond in writing with a final resolution of the complaint.

All complaints will be kept confidential to the extent permitted by law and every effort will be made to assure that no adverse action will be taken against the student filing the complaint. Such action will be subject to investigation and possible disciplinary sanctions.

Complaint Log

Each University division is required to maintain an active student complaint log and must be prepared to present such a log for review by appropriate university officials. Student Complaint Log Form provides a template for policy compliance and reporting. The log contains the following elements: Date of complaint, name of complainant, description of the complaint, date of response, responder and description of the response.

A formal resolution of the complaint will involve a grievance committee, comprised of either the Academic Dean or the Director of Student Services (for student complaints), two faculty members, and two students or alternates and includes both men and women. The grievance committee will review the information to determine if harassment is evidenced, and will resolve the matter with all involved parties. Formal resolution involving written reprimand, disciplinary action, or dismissal must be approved by the University President. Any appeal of the grievance committee's action will be made to the University President.

Any complaint a student may have that has not been satisfactorily answered by the University may be directed to the Colorado Department of Higher Education at 1600 Broadway, Ste 2200 Denver, CO 80202. Students may file a complaint by calling (303) 862-3001 or by fax (303) 996-1329, or by completing a complaint form, which can be obtained on the CDHE's website, <https://cdhe.colorado.gov/filing-studentcomplaint>.

General Code of Conduct

Sanctions

Student conduct sanctions are categorized as primary and secondary. More than one primary sanction or any combination of primary sanctions and secondary sanctions may be imposed for any single violation. Once a student has been finally assessed a disciplinary sanction, however, no more severe primary sanctions may be assessed against him or her by any higher University authority.

1. Primary Sanctions (in order of severity):

1.1 *Expulsion*: Separation of a student from the University whereby the student is not eligible for readmission to this university. Expulsion is permanently noted on the transcript.

1.2 *Dismissal*: Separation of a student from the University for an indefinite period of time. Readmission to the University may be possible in the future, but no specific time for a decision is established. Dismissal is permanently noted on the transcript.

1.3 *Suspension*: Separation of a student from the University for a definite period of time. The student is not guaranteed readmission at the end of such period of time, but is guaranteed a review of the case and a decision regarding eligibility for readmission. Suspension is noted on the transcript. If the student reenrolls, remains in good standing and completes the requirements for graduation, the student may request removal of the notation at the time he/she files for graduation. Requests must be submitted to the Office of the Registrar. The Chief Academic Office, in consultation with other University officials, will make the final decision regarding removal of the notation.

1.4 *Deferred Suspension*: The sanction of Suspension may be placed in deferred status. If a student is found in violation of any University rule during the time of Deferred Suspension, the Suspension takes effect immediately without further review. Additional student conduct sanctions appropriate to the new violation also may be taken. A student who has been issued a Deferred Suspension sanction is deemed “not in good standing” with the University. A student who is not in good standing is subject to the following restrictions:

- Ineligibility to hold an office in any student organization recognized by the University or to hold any elected or appointed office of the University.
- Ineligibility to represent the University to anyone outside the University community in any way, including representing the university at any official function, intercollegiate athletics or any forms of intercollegiate competition or representation.
- Ineligibility to receive a University-administered scholarship when the length of the Deferred Suspension is greater than one quarter. Some scholarships adhere to more strict guidelines, and, therefore, ineligibility may result from a lesser length of Deferred Suspension. This sanction implies a serious offense and must be uniformly applied by the office administering the scholarship upon notification by the University disciplinary officer.
- Additional restrictions or conditions also may be imposed, depending on the nature and seriousness of the misconduct.

1.5 *Probation*: An official warning that a student’s conduct is in violation of University Rules, but is not sufficiently serious to warrant expulsion, dismissal or suspension. A student on conduct probation is deemed “not in good standing” with the University. This sanction includes the same restrictions listed in 1.4, Deferred Suspension.

1.6 *Letter of Reprimand*: A letter that makes a matter of record any incident that reflects unfavorably on the student or the University.

1.9 *Warning*: Admonition of a student for actions unbecoming to the University community.

2. Secondary Sanctions (no order of severity is established for secondary actions):

2.1 *Community/University Service*: A student may be offered an opportunity to complete a specified number of hours of Community/University Service in lieu of other sanctions. The type of Community/University Service must be approved by the hearing officer/panel.

2.2 *Educational Requirements*: A provision to complete a specific educational requirement directly related to the violation committed. The provision will be clearly defined. Such educational requirements may include, but are not limited to, completion of an alcohol education workshop, a diversity awareness workshop, essays, reports, etc.

2.3 *Restrictions*: The withdrawal of specified privileges for a definite period of time, but without the additional stipulations contained in the imposition of conduct probation. The restrictions involved will be clearly defined.

2.4 *Restitution*: A payment for financial injury to an innocent party in cases involving theft, destruction of property or deception. The assessed costs to be paid may be in addition to receipt of any of the above sanctions.

Harassment

HU respects and encourages the dignity and professionalism of its employees and students and is committed to maintaining a learning and working environment that is free from any form of discrimination. Harassment in any

form based on sex, race, color, age, national origin, disability, or any other characteristic protected by state or federal laws is prohibited, as are all forms of sexual intimidation and exploitation.

In keeping with this commitment, HU will not tolerate any unlawful harassment of its employees or students at the university by anyone, including any faculty member, staff member, student, visitor, vendor, contractor, or any other individuals providing services at the university. Harassment interferes with an individual's work or learning environment and will not be tolerated.

All members of the HU community are expected to follow and enforce the University's policy against harassment. Complaints of harassment will be promptly and thoroughly investigated and appropriate action, including disciplinary measures, will be taken when warranted. Faculty, students, and staff have the right at any time to raise the issue of harassment without fear of retaliation.

Academic Honesty

Students shall maintain academic honesty in the conduct of their studies and other learning activities at Harvest University. The integrity of this academic institution, and the quality of the education provided in its degree programs, are based on the principle of academic honesty.

The maintenance of academic integrity and quality education is the responsibility of each student within this University. Cheating and plagiarism in connection with an academic program is as an offense for which a student may be expelled, suspended, put on probation, or given a less severe disciplinary sanction.

Student Responsibilities

Students are responsible for knowing and understanding the rules of Academic Honesty as outlined in the college catalog, to include fabricating information and data, cheating, facilitating academic dishonesty, and plagiarizing.

Students are responsible for communicating with the instructor if they do not understand how the policy applies to a particular class or assignment.

Definitions

Academic dishonesty is an especially serious offense. It diminishes the quality of scholarship and defrauds those who depend upon the integrity of the academic programs. Such dishonesty includes, but is not limited to, the following:

- Giving unauthorized information to another student or receiving unauthorized information from another student during any type of assignment or test.
- Obtaining or providing without authorization questions or answers prior to the time of an assignment or test.
- Using unauthorized sources for answers during any assignment or test.
- Taking part in or arranging for another person to complete an assignment or to take a test in place of another.
- Giving or receiving answers by use of signals during a test.
- Altering answers on a scored test and submitting it for a higher grade.
- Collaborating with others in a required assignment without the approval of the instructor.
- Stealing class assignments or portions of assignments, including electronic files, and submitting them as one's own.
- Not crediting participants for their part in a group project or claiming credit for work not done on a group project.
- Plagiarism, which is presenting as one's own in whole or in part the argument, language, creations, conclusions, or scientific data of another without explicit acknowledgment. Examples include, but are not limited to:
 1. Using another person's written or spoken words without complete and proper citation.
 2. Using information from a World Wide Website, CD-ROM or other electronic source without complete and proper citation.
 3. Using statistics, graphs, charts and facts without acknowledging their source.
 4. Submitting a paper purchased from a term-paper service.
 5. Paraphrasing which is imitating someone else's argument using other words without acknowledging the source.

6. Claiming credit for someone else's artistic work, such as a drawing, script, musical composition or arrangement.
7. Using someone else's lab report as a source of data or results.
8. Using one's own or substantially similar work, produced in connection with one course, to fulfill a requirement in another course without prior permission. A student may use the same or substantially the same work for assignments in two or more courses only with written permission from the instructors of all the classes involved.
9. Submitting the results of a machine translation program as one's own work.

CHAPTER 12: STUDENT LIFE AND STUDENT SERVICES

Enrollment Requirements & Procedures

Before enrolling, all applicants must also fill out an Enrollment Agreement and submit a deposit in accordance with the Student Fees and Payment schedule. A parent or legal guardian must sign the Enrollment Agreement if the applicant is under 18 years of age.

Digital “Orientation”

At the start of the fall quarter, all entering students will receive a welcome package available in digital media format, which includes an introduction to Harvest University and an overview of its curricular and co-curricular programs, general policies, and administrative features.

Fall Orientation also provides a chance for students to connect socially with other community members in order to ease the transition into the start of a new academic year.

Student ID Cards

All students are required to have a student ID card, which is distributed by the Office of Student Services. A physical ID card is also available upon request and a \$15.00 fee. Loaning a physical or digital ID card to another person is prohibited.

University-Wide Literary Style

The most recent edition of Kate L. Turabian’s *A Manual for Writers of Term Papers, Theses, and Dissertations* is the basic manual of style for the writing of formal papers. Turabian allows for footnotes, endnotes, or parenthetical references. Each division and degree program may specify the kind of documentation it requires. Faculty members may specify exceptions to these standards for particular assignments as necessary.

Examinations

Final examinations are usually two hours in length and are to be taken at the scheduled hour during exam week. In case of illness, a student should notify the Office of Student Services before the examination, if possible.

A final grade cannot be changed after it has been turned in to the Registrar, unless there has been an error in calculation or recording of the grade. Students have two weeks from the date of issuance of grades to report errors to the Registrar.

Leave of Absence / Time Limit Policy

If students intend to return to HU within one year (four quarters) and want to preserve registration privileges, they should file a *Leave of Absence* form. A leave of absence may be taken up to a maximum one year (one quarter for LOA and three quarters for Continued Leave of Absence)* by an enrolled undergraduate or graduate student who has a medical or personal reason that prohibits

the student from progressing in his/her degree program.

Students must receive prior approval for any course(s) taken at another institution while on leave by completing a Transfer of Credit Application.

If a student does not return to HU within the stated time period, they will automatically be withdrawn from the college and will need to reapply if they wish to return.

Leaves of absence will extend the maximum time students have to complete the degree program by up to one year.

***Maximum Length of a Leave:** *A leave of absence is generally not approved for longer than one year. However, under special circumstances such as military deployment or medical emergency, a leave may be approved for a maximum of three years.*

Maximum Time Limit

The maximum time limit to complete a master of divinity degree program at Harvest University is **6 years**.

All requirements for degree programs must be completed within set time limits after the student's first term of enrollment in his/her program.

If a student fails to complete his/her program within the time limit, his/her records will be deleted and reapplication is required to continue pursuit of the degree.

When additional time is necessary and appropriate, the student and advisor will petition the student's college for an extension. The extension may be denied, in which case the student will be dismissed, or it may be granted with qualification. The maximum extension is one additional year. Extensions require review of academic progress and any other factors regarded as relevant by the college, and approval by the academic dean.

Academic Advising

Academic advising is an on-going, intentional, educational partnership dedicated to student academic success. After being admitted to the University, students will be assigned to an academic advisor. Whenever possible, students are assigned additional advisors in the area of study in which the students have expressed an interest.

The role of these advisors is to guide course selection and serve as a resource with regard to the university's policies and procedures. Harvest values the spiritual and academic growth that may develop from healthy student-advisor relationships. Thus, students are encouraged to communicate with their advisors throughout their Harvest careers for advice and assistance in any academic issues.

It is to students' advantage to meet with their academic advisors at least once a quarter and to know their advisors well.

Academic Advising Center

Academic Advising Center provides:

- Information about academic programs and policies.
- Guidance in course registration.
- Advice and assistance in any academic or vocational problems that may arise.
- Advisors to help students who encounter academic difficulties strategize ways to improve their performance.
- Evaluation of transfer courses and assessment of credits awarded.
- Assistance in conveying information about special needs to professors.

- Assistance in obtaining academic and classroom accommodations, if needed.
- Advice and counseling regarding learning or physical disabilities.
- Information about petitioning respective colleges for exceptions to academic policies.

Academic Advising serves as a resource in relationship to institutional policies, procedures, and administrators.

It is the responsibility of the student to see that the proper courses for the intended major are taken in the proper sequence. Special care should be taken if a course is offered in alternate years. The Division Chair and supporting faculty members can also be consulted for assistance as necessary, but ultimately the student accepts responsibility for registration in the desired and needed courses.

Petitions

Should there arise a scenario in which an exception to an academic policy seems necessary, students may file a request online at the Populi.

Changes in Personal Information

During registration and throughout the quarter, any change in a student's address, employment, marital status, number of children, or other pertinent data should be reported to the Office of the Registrar as soon as possible.

Transcripts

In order for the Office of the Registrar to release a transcript, federal law requires a signature from the student requesting his/her transcript. Transcript request forms may be found in the Student Records area of Populi. Transcripts are issued with set fees. Please see the fee schedule included in this Catalog.

Verbal requests, whether in person or over the phone, cannot be processed. A transcript request from a student on hold for unpaid fines or bills will not be processed until his/her financial obligations are met. Transcripts are generally processed within 24 hours of the request.

Counseling

Students are encouraged to communicate openly, but respectfully, with all HU staff members, and to seek spiritual guidance at any, especially from Director of Student Services. Personal counseling is intended to help students better adjust to their University experience and to provide support for their personal walks of faith. HU also encourages students to maintain ties with WOA church leaders throughout their studies at HU.

HU also allows students to seek counseling services available in their local areas by requesting referrals from our office.

Tutoring

Students who need extra assistance because of academic difficulties may arrange for tutoring through their Academic Advisors. The University believes in giving every student the opportunity for individualized assistance outside of the normal class setting. Online tutoring sessions help students clarify points from lectures, labs, discussion sessions, or assigned readings. All tutoring sessions are intended to supplement, not replace, any class attendance or personal study time.

Study sessions provide students with the opportunity to meet with instructors for individual assistance. Students who take advantage of study sessions are expected to perform better in the classroom. Should an instructor determine a student's progress in one or more areas to be unsatisfactory or below normal (typically considered less than C- work), the instructor may suggest an online study

session.

Netiquette Guide

It is important to recognize that the online classroom is in fact a classroom, and certain behaviors are expected when you communicate with both your peers and your instructors. These guidelines for online behavior and interaction are known as netiquette.

Security

Remember that your password is the only thing protecting you from pranks or more serious harm.

- Don't share your password with anyone
- Change your password if you think someone else might know it
- Always logout when you are finished using the system

General Guidelines

When communicating online, you should always:

- Treat instructor with respect, even in email or in any other online communication
- Always use your professors' proper title: Dr. or Prof., or if you in doubt use Mr. or Ms.
- Unless specifically invited, don't refer to them by first name.
- Use clear and concise language
- Remember that all college level communication should have correct spelling and grammar
- Avoid slang terms such as "wassup?" and texting abbreviations such as "u" instead of "you"
- Use standard fonts such as Times New Roman and use a size 12 or 14 pt. font
- Avoid using the caps lock feature AS IT CAN BE INTERPRETED AS YELLING
- Limit and possibly avoid the use of emoticons
- Be cautious when using humor or sarcasm as tone is sometimes lost in an email or discussion post and your message might be taken seriously or offensive
- Be careful with personal information (both yours and other's)
- Do not send confidential student information via e-mail

Email Netiquette

When you send an email to your instructor, teaching assistant, or classmates, you should:

- Use a descriptive subject line
- Be brief
- Avoid attachments unless you are sure your recipients can open them
- Avoid HTML in favor of plain text
- Sign your message with your name and return e-mail address
- Think before you send the e-mail to more than one person. Does everyone really need to see your message?
- Be sure you REALLY want everyone to receive your response when you click, "reply all"
- Be sure that the message author intended for the information to be passed along before you click the "forward" button

Message Board Netiquette and Guidelines

When posting on the Discussion Board in your online class, you should:

- Make posts that are on topic and within the scope of the course material
- Take your posts seriously and review and edit your posts before sending
- Be as brief as possible while still making a thorough comment
- Always give proper credit when referencing or quoting another source
- Be sure to read all messages in a thread before replying
- Don't repeat someone else's post without adding something of your own to it
- Avoid short, generic replies such as, "I agree." You should include why you agree or add to the previous point
- Always be respectful of others' opinions even when they differ from your own
- When you disagree with someone, you should express your differing opinion in a respectful, non-critical way
- Do not make personal or insulting remarks
- Be open-minded

Technology Requirements

Broadband Internet

A fast internet connection ensures that students navigate through Populi quickly and efficiently, typically DSL or cable service.

A modern, updated web browser

Populi runs on up-to-date releases of popular web browsers.

Here are the browsers we recommend for use with Populi. We recommend students to always try to use the most recent version possible—as companies release newer versions of browsers, they usually drop support for older versions.

PC or Mac

- Google Chrome is probably the best option if you're using Windows. It's also very good for Mac users.
- Mozilla Firefox is another good choice on Windows computers (works pretty okay on Macs, too).
- Apple Safari is great on Macs. Not so much on Windows.
- Last and certainly least, Internet Explorer. If you're using Windows 10, they're encouraging you to use Microsoft Edge.

Mobile browsers

- iOS Safari does well, as does Google Chrome for iOS.
- The stock Android browser works, as does Chrome for Android.
- The Firefox browsers for both iOS and Android aren't problematic.
- Microsoft Edge (mentioned above) is baked-in to Windows 10 devices and works with Populi; the version of Internet Explorer in Windows 8.1 does alright, too.

If you tend to tinker with your browser settings, make sure to enable Javascript and cookies. Ad-blockers don't pose any problems for the most part, but if you do fiddle with those, just make sure to whitelist your school's Populi site.

Other common applications

You can use Populi to export all kinds of files. The three most common are spreadsheets, PDFs, and word documents (note the lower-case *w* there). Most computers have the software you need to open these files, but in case yours doesn't...

- [Open Office](#) can open spreadsheets and documents (we use it to generate files for [custom page layouts](#)).
- [Adobe Acrobat reader](#) handles PDFs. If, for some reason, you have to use an old version, the oldest one that works is version 6.

EQUIPMENT USED IN COURSES

Students in any program are required to have their own laptops with wifi internet connection for course work and lectures. Below are suggested specifications.

- * Type: PC or Mac
- * Processor: Intel Core i5 or i7 or AMD equivalent
- * Display: 13" or larger
- * Memory: 8GB or higher for PC / 16GB or higher for MAC
- * Hard Drive: 256GB SSD or higher
- * I/O ports: Two USB 3.0 ports
- * Video out: HDMI or DisplayPort
- * Wireless: AC preferred, N minimum
- * OS: Windows 10 (preferred) for PC / El Capitan (Sierra preferred)

Desktop computers are also offered in the library, architecture, and ESL labs.
